Re: "WRSP Progress Report -- 1980 Environmental Programs"

Dear Mr. Feight:

Enclosed for your information is a copy of the subject report. The report discusses the results of the environmental programs for the 1980 calendar year and water year (October 1979-September 1980).

Please contact me if you have any questions concerning our environmental studies to date or our plans for the future.

Sincerely,

*J. W. Godlove*
